Government College of Engineering, Aurangabad

Presents

A National Level Technical Event

Paper Presentation Topics for Electronics and Telecommunication Department:

1) Wireless sensor communication and robot networks.

2) Comparison of IoT based applications (IEEE 802.15.4 and IEEE802.11).

3) FPGA based control system for robot.

4) Automobile Communication System (high speed communication system).

5) Internet security (Elliptic curve cryptography(ECC) and Palladium cryptography).

6) Channel Tracking for a Multi-Antenna System
